

MEMORANDUM

TO: Medicare Advantage Organizations
FROM: HOS Project Team
DATE: March 18, 2024
RE: Exclusion of Medicare Advantage Contracts from Medicare Health Outcomes Survey (HOS) 2024 Administration

The Centers for Medicare & Medicaid Services (CMS) has determined your contract is **not** required to report the HEDIS^{®1} Medicare HOS in 2024.²

To reduce plan burden, Medicare Advantage Organizations (MAOs) and other organization types with less than 500 enrolled non-I-SNP beneficiaries as of February 2024, as reflected in the March 2024 monthly enrollment file³ and/or with contract effective dates later than January 1, 2023, are not required to administer the HOS in 2024.

CMS reviewed contract enrollment and contract effective dates and has determined that your contract is **not** required to report HOS in 2024. Contracts that are not required to report may elect to voluntarily field the HOS Baseline survey in 2024 and their results will be publicly reported. Contracts that voluntarily report the HOS Baseline survey in 2024 are required to administer the HOS Follow-Up survey in 2026.

Contracts that wish to voluntarily report should email their request to NCQA at hos@ncqa.org by **April 26, 2024**. Requests to voluntarily report will not be permitted after this deadline.

CMS will post this memo on the [HOS website](https://hosonline.org) (<https://hosonline.org>).

If you have any questions regarding this memo or think that your plan has received it in error, please contact the HOS Project Team at hos@ncqa.org.
